VIESSMANN FIS SKI JUMPING WORLD CUP

26. - 28.
MAREC MARCH

Finale svetovnega pokala v smučarskih skokih je tekmovanje, ki se mora odražati tudi v raznovrstnosti ponudbe, v posebni podobi prizorišča in v organizacijski popolnosti.

Vsako leto je planiški praznik dogodek, na katerem se srečujejo tudi predstavniki gospodarstva, politike in estrade. Je dogodek, ki odpira vrata novim priložnostim in dogodek, kamor privabimo tudi tiste posameznike, ki jim Planica pričara popolno podobo ekskluzivnosti.

Kako dolgi bodo poleti na finalu svetovnega pokala v Planici ne vemo. Če bo padel svetovni rekord vam prav tako ne moremo obljubiti. Kako toplo bo sijalo sonce tudi še ne vemo.

Smo pa prepričani, da Planice 2021 ne boste pozabili nikoli.

Planica je postala dolina svetovnih prvenstev. S pridobitvijo organizacije FIS svetovnega prvenstva v nordijskem smučanju za leto 2023, smo dolini pod Poncami začeli dodajati povsem novo vsebino in pisati novo zgodovino.

Ski jumping World Cup Finals reaches the level of the competition that must also be reflected in the diversity of the offer, in a special image of the venue and in organizational perfection.

Each year, the Planica feast turns into an event where also the representatives of the economy, politics and show business gather together. It is an event that opens the door to new opportunities and an event that attracts also those individuals whom Planica conjures up the perfect image of exclusivity.

How long will the ski flights at the World Cup Finals in Planica be, we do not know. We also can not promise you that the world record will be broken. And we also do not know how warm the sun will shine.

But we are convinced that you will never forget Planica 2021.

Planica has become a valley of world championships. By winning the organization of the FIS Nordic World Ski Championships for 2023, we began to add completely new contents to the valley under Ponce and to write new history.
